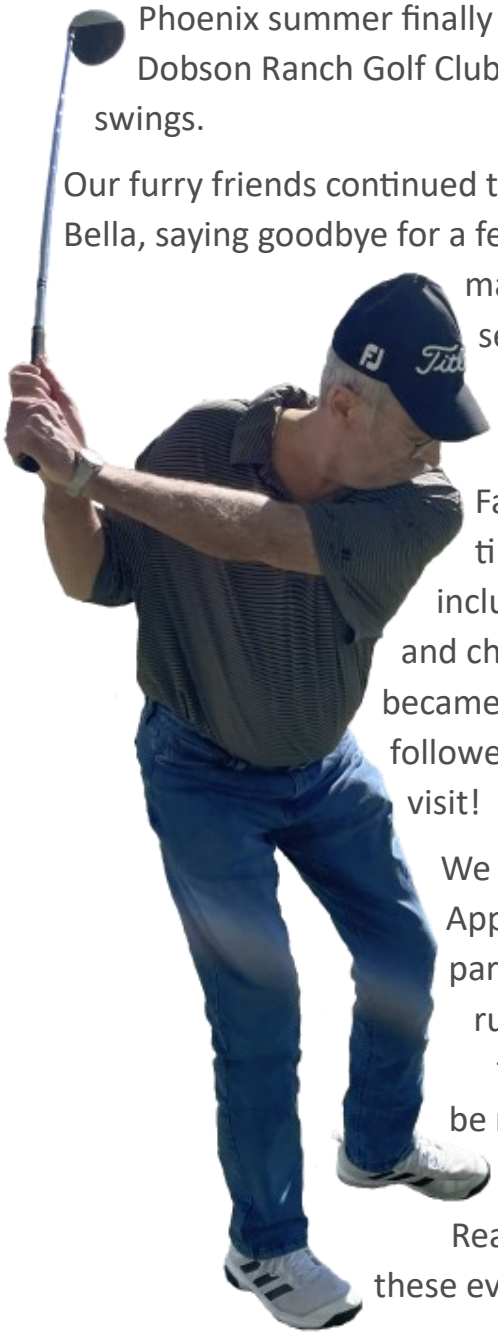
Blue Sky Behavioral

April 2022
Volume 7, Issue 4

April News

We certainly had a busy month as we packed our activity schedule full of our favorite outdoor activities before the Phoenix summer finally sets in. We took a trip to the Dobson Ranch Golf Club where we tuned up our golf swings.

Our furry friends continued to visit with one of our favorites, Bella, saying goodbye for a few months while she goes on maternity leave. We are excited to see pictures of her new pups!



We made a trip out to Mesa for our first visit at the Superstition Farm Petting Zoo. We had a great time seeing all the farm animals including goats, sheep, tortoises, pigs and chickens. One free roaming donkey became our new best friend as he followed us around the farm the entire visit!

We celebrated National Babe Ruth Appreciation day with a trip to the park for a hotdog lunch and a home run derby! I might be biased, but I think some of our residents might be ready to be called up to the big leagues.

Read through to see pictures of all these events and more!

National Babe Ruth Day

Groups

Groups are held several times throughout the week at Blue Sky. Here is a snapshot of our groups this month.

1. April Fools

We started the month off learning about the history and traditions of April Fools. Unfortunately even after the lesson residents quickly fell for a 'mashed potato ice cream prank'! Don't worry, we all got the real stuff after.

2. Cruise Exploration

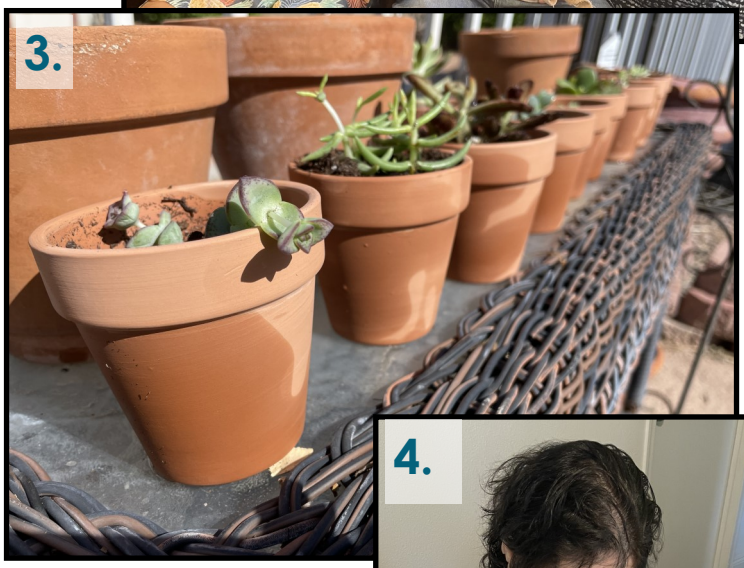
Residents learned about the worlds largest cruise ship and created origami rabbit hand towels.

3. Earth Day

We studied the history of Earth day, discussed how we can impact our environment for the better and potted personal succulents.

4. Door Signs

We used our creative side to create personalized door signs—check them out on our doors when you stop in to visit next!

5. Gardening


We learned about new types of fruits and updated our garden just in time for summer.
