November News

We have loved having the month of November to focus on gratitude. Veteran's Day was a great way to start off our month of gratitude and thank our Veteran's as we think about our freedoms we enjoy. We are grateful for good food and had a wonderful Thanksgiving dinner with all the trimmings.

We have been gardening, having movie nights outdoors, and doing fall crafts this month. We also went to a drive thru dinosaur museum. It had an audio tour as we drove through and we are grateful for creative ways to get out and be safe. Enjoy our fun and adventures!

Citrus is almost ready

Finished planting the garden

Chinese dates "Jujube"

Planting Lettuce

We were getting warm planting in November

It's fall planting time! We planted Spinach last month and lettuce, cabbage, broccoli, and cauliflower this month. We had Chinese date ready this month and citrus is almost ripe.

HAPPY thanksgiving

GROUPS

They Did Their Share

On Veterans' Day we honor
Soldiers who protect our nation.
For their service as our warriors,
They deserve our admiration.

Some of them were drafted;
Some were volunteers.
For some it was just yesterday;
For some it's been many years.

We owe so much to them,
Who kept us safe from terror.
So when we see a uniform,
Let's say "thank you" to every wearer.

For the Month of November we have been able to really focus on what we are grateful for in our lives. With Veteran's day we got to do an activity writing our gratitude for our Veteran's and learned the history of Veteran's day. We did fall crafts decorating turkey's and cutting fall leaves and writing the things we are grateful for to get ready for Thanksgiving. We also had a learning activity on Ferdinand Magellan, did a few activities with This day in history and had a outdoor movie night. We went for walks, played games, and spent one on one as well.
