October 2022  
Volume 7, Issue 11

## October News

We had a fun-filled, spooky Halloween over here at Blue Sky. We have been thrilled to get out of the house more and enjoy some of this beautiful, cooler weather. We kicked off the month with a trip to the Crayola Experience where we got the chance to make custom artwork, create our own crayons and grab lunch at the food court.

Of course we couldn't go through October without a trip to the pumpkin patch. Residents had a great time picking out their own pumpkins and decorating them to set outside.

We took the first chance we could to get out and do some fishing. We spent an entire morning on the lake and after much patience, we caught only one fish. However, we had a blast watching the turtles, baiting hooks and just enjoying each others company.

We have had many furry visitors this month. We made a trip to the Alma Vida House Ranch where we spent the morning with goats, alpaca, horses and chickens. We have had a handful of dog visitors this month and enjoyed a special visit from two mini-horses!

For those residents who earned enough Blue Sky Bucks, we enjoyed lunch out at Olive Garden this month. We took a fun evening trip to downtown Chandler to participate in their Halloween Spooktacular where residents were able to do some trick-or-treating of their own and dress up. We can't wait to share with you what we have in store for next month.

# Groups

Groups are held several times throughout the week at Blue Sky. Here is a snapshot of our groups this month.

## 1. Halloween Snacks

Residents used their artistic side to create “Monster Rice Krispies” and “Mummy Hot Dogs”. They tasted just as good as they looked!

## 2. Halloween Crafts

This month we decorated the houses full of spooky decorations. Residents helped out by creating abstract candy corn art.

## 3. Bagging Candy

We prepared for trick-or-treaters by bagging up Halloween candy and gifts. We may have sneaked a piece or two for ourselves.

## 4. Pumpkin Decorating

Before setting out our pumpkins as decorations, we put a creative touch on them by decorating them.

## 5. Cookie Decorating

As if we didn't have enough treats this month, residents decorated Halloween cookies using colored icing. We ate them just as fast as we created them!
